Grasing's Update

Dear Wine Club Members,

Our highest priority is the comfort and safety of our Grasing's guests and employees. With the changing guidelines for our guest and team safety, we have closed the dining rooms for in restaurant seating. We will continue to offer To-Go Orders for Curbside Pick-Up and Home Delivery on the Monterey Peninsula. Please check out our [To-Go-Order Menu](#).

In addition, your favorite wines can be purchased with us. We are offering a 10% discount when you buy six or more bottles of wine to stock your cellar. We also have special pricing for bottles we normally feature wine by the glass. Wine would be available for pick-up at the restaurant and delivery within the Monterey Peninsula Area. Check out our full wine list by visiting our website below. And don't forget, we have a great selections of Bourbons, Scotches and other favorites!

We truly appreciate your continued patronage during these uncertain times. Please continue to visit our website and social media for any updates in changes to service. We will continue to comply with the recommendations from health and government authorities, but we look forward to when we are able to re-open and welcome you back to share a meal and a glass of wine with us.

Please call the restaurant at 831-624-6562 with any questions.
