Alpha Omega Prix Fixe Wine Dinner

Hello Grasing's Wine Club Members,

We have received a wonderful response to our upcoming Alpha Omega Prix Fixe Wine Dinner on Monday, September 28 but seats are still open!

We invite guests to join us for a reservation between 5:30 and 8:00 pm to enjoy this reimagined personalized wine dinner experience. The four course, paired menu featuring Alpha Omega Winery will allow guest to interact one on one with both myself and a representative from the winery. This new offering allows us to provide an individualized experience that was not available in our larger format wine dinners, providing guests the opportunity to ask all those questions you may have not wanted to ask in a bigger setting.

Reservations are filling up fast so we do encourage you to register soon!

Until then,

Eric Ewers
Wine Director
