This Week's Wine Picks

Dear Wine Aficionados,
Shopping for wines at Grasing's is a great way to buy fine wines and bottles that are a little hard to find. Are you looking for wines from a certain country, grape variety, vintage or region? If you are looking for a specific wine, we have the resources to get it and have access to so much more.

We really appreciate the great wine and spirits sales that we've had since the stay-at-home mandate. Over the past few weeks, we've featured easy drinkers and when the weather permits, summertime wines as well as serious "Saturday Night" wines such as Caymus Special Select, Leflaive and Cristal (these wines are still available if you are interested in).

Some folks have asked if we have any Burgundy to sell. In this context, everything is for sale; we've put a few Burgundy wines on this week's list. These are very special wines in limited quantities and as you may expect, these are not "discounted" very much as the replacement costs are, in some cases, more than what we are selling them for, but we do love to share them with you.

Don't miss this opportunity and if you have any questions or interested in specific wine, please give us a call or email us.

Thank you,

Kurt Grasing
