Rosés of Summer

Dear Wine Club Members,
We have incredible May weather now and such a great time to start drinking Rosés.

Rosés go with so many dishes; salmon, salad, burgers - crisp with a touch of strawberry, cherry, peach and a nice weight to balance the fruit. If you are looking for Rosés, Grasing's is a great way to buy and we've put a few on this week's list.

We really appreciate the great wine and spirits sales over the past few weeks. We still have Burgundy wines available if you are interested in.

Don't miss this opportunity and if you have any questions or interested in specific wine, please give us a call or email us.

Thank you,

Kurt Grasing
