Moone-Tsai Vineyards Wine Dinner

Dear Wine Club Members,

You are invited to a very special wine-pairing dinner. We are delighted to have Larry and MaryAnne Moone-Tsai of Moone-Tsai Vineyards present their remarkable wines.

Moone-Tsai Vineyards is known for producing some of the finest Napa Wines - extraordinary cabernet from Pritchard Hill and striking Bordeaux-style blends from Howell Mountain. This evening is sure to be a hit!

Inspired by Moone-Tsai 2017 Paige Cuvée Chardonnay from Ritchie Vineyard, Russian River Valley, Chef Jesse decided on a Ahi Tuna Carpaccio with edamame, avocado, capers, mango, ponzu foam, sesame oil, and puffed black rice as his first course pairing. Please see below for the complete menu. The dinner will be held on Tuesday, March 10. Start time is 6:00pm and the price for the five course dinner and six accompanying wines is \$155 per person.

Larry and MaryAnn Moone-Tsai will also be hosting Moone-Tsai Wine Dinners with Chef Kurt Grasing in the Mediterranean aboard Silversea's newest ship *Silver Moon* in August. If you have already booked for this cruise, this evening will be a perfect opportunity to meet the couple who will be traveling with you!

We look forward to helping to pour you some great Moone-Tsai wines.
